Item Number

CCPROSERVICEDEMO - On-site cleaning of cooling channels

Includes: Certified Technician, Cleaning Media and Installation Kit

Guaranteed tool improvement or service fee is refunded

Days ____ @ \$3,185.00*
per 8 hour day*

Return On Investment Example

Work week = 7 days/Hours per day = 20 hours/Press rate = \$135.00 per hour
 7 days x 20 hours x \$135.00= weekly revenue \$18,900
 Post cleaning productivity improvement = 1%
 \$189 per mold x 10 molds (average per week) = weekly improvement \$1,890
 \$1,890 x 50% margin = \$945 contribution margin.
 1 week @ \$1000 / \$945 = 10.6 week return on investment
